VALAIS BLACKNOSE
SHEEP SHOW

SEPTEMBER 26-28, 2024 • DES MOINES, IOWA

FOUR CORNERSTONES OF SUCCESS

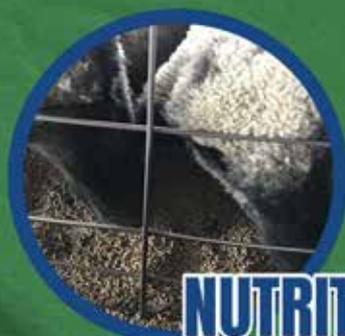

BREEDING

- Laparoscopic Artificial Insemination (LAI)
- Embryo Transfer (ET)
- In Vitro Fertilization (IVF)

ANIMAL HEALTH

- Full pharmacy
- Online Store Front
- Licensed in multiple states

NUTRITION

- Complete feeds for all stages of production
- Free Choice Mineral
- RSG Performance+ Top Dress

GENETICS

- Semen Collection and Storage
- RSGsires.com
- Embryo and Semen Sales

WELCOME

Welcome to Greater Des Moines!

It's an honor to host the 2024 USA National Valais Blacknose Sheep Show and Valais Blacknose Sheep judges, breeders, and enthusiasts.

Your show this year takes place on the Iowa State Fairgrounds, home to the renowned Iowa State Fair. This historic venue will have you inside the Sheep Barn, where each year it is filled with sheep from across the state during the State Fair. We are excited to welcome all of you from across the nation, Canada, United Kingdom, and New Zealand.

While you're here, make plans to visit the famous Downtown Farmers' Market on Saturday. We're known for local dishes like the breaded pork tenderloin (you'll find one on about every menu) and Steak de Burgo, so make sure you get a taste of Des Moines at one of our more than 900 locally-owned restaurants. In fact, you can find all the best restaurants, bars, shopping, and attractions – as voted by locals – by checking out our series of Des Best videos and blogs at catchdesmoines.com/desbest.

We would like to extend a heartfelt thank you for visiting Greater Des Moines. We are glad you are here and hope you enjoy your time in our great metro; come back soon! And remember, in Des Moines, only the S's are silent!

Warmest welcome,

Greg Edwards
President and CEO
Catch Des Moines

THURSDAY EVENT SCHEDULE

7:30 AM	Valais Blacknose Sheep Society Annual Membership Meeting Classroom 1
9:00 AM	7 Phases of Production Classroom 1 / Scott Flanagan, DVM, Reproduction Specialty Group
9:00 AM	Pictures ARE Worth a Thousand Words (Marketing) Classroom 2 / Monica Hild, four back photography & Hild Brothers Show Stock

MEET THE JUDGE

GERALLT JONES

Gerallt's passion for sheep farming began early while working with his grandfather and father on their traditional Welsh hill farm in Waunfawr, North Wales. He currently works for a Hydroelectric company, but despite not being a full-time farmer, he is still heavily involved in the family farm.

In 2017, he founded the Snowdonia Flock initially as an introduction to sheep farming for his youngest sons. His mission is to preserve Swiss breeding traditions and breed show-quality animals that are true to the sheep found in their native homeland. Quality is his top priority.

Over the years, Gerallt has worked tirelessly to promote and raise awareness for the breed. He has participated in multiple TV shows and radio interviews. The family has also secured dedicated breed classes at the Royal Welsh Show, which is the largest agricultural show in Europe, as well as at local shows.

In 2018, they debuted on the show circuit and have exhibited their sheep at national, royal, county, and local agricultural shows. They have achieved numerous successes, breeding national and royal champions, maximum points animals, and setting breed sale records.

Gerallt started his judging career in 2023 and recently became a certified Valais Blacknose Society grader, trained by Oberwalliser Schwarznasen, the Swiss Valais Blacknose Society.

Gerallt Jones

MEET THE JUDGE

RAYMOND IRVINE & JENNI MCALLISTER

Raymond is a third-generation farmer based in Tomintoul, Scotland, in the Scottish Highlands. They farm a 4000-acre mixed and hill farm. They have a commercial herd of 50 cattle, 50 pedigree Charolais cattle, 800 Scottish Blackface and a flock of about 80 Valais Blacknose. Raymond is known more for breeding pedigree Charolais bulls and the Charolais showing circuit.

"Like everyone else, we fell in love with the Blacknose instantly. They have an inexplicable pull which you naturally gravitate toward, coupled with a welcoming temperament. And they are cute!"

My partner Jenni and I first introduced the Valais Blacknose to Scotland in May 2014 after much researching of the breed and top shepherds in Valais, Switzerland. However, access to breeders and information was limited on the Internet at the time. It was evident that we had to visit the home of the Blacknose and connect with breeders directly. It was at this stage where the real adventure began and the dream to have our own Blacknose flock, started to become reality.

Albeit the export process was a long and challenging one, it has been one of the best things we have done. Not only have we found this wonderful breed, but we have also met wonderful people from all over the world and lifelong friendships have been formed."

*Raymond Irvine
Jenni McAllister*

MEET THE JUDGE

JAMIE WOOD

Jamie runs a 3000 acre mixed family run farm in the heart of the Northumberland National Park in England where he runs approximately 2500 sheep and 160 Aberdeen Angus cows.

In 2013, Jamie was one of the first to import sheep direct from Switzerland. Jamie's maximum renowned Prendwick flock has fantastic genetics. Producing the world-renowned ram, Prendwick Eros, and also Prendwick Basil – both of which graded maximum points twice by Swiss judges. Prendwick has bred some outstanding sheep whose genetics are winning shows in countries far and wide.

Jamie, along with two other breeders, set up the first UK Blacknose society in 2013. Jamie has spent many years in Switzerland working alongside Swiss shepherds to gain the professional knowledge he has with the breed. Jamie became a certified grader of Valais Blacknose sheep, trained and certified by Oberwalliser Schwarznasen, the Swiss Valais Blacknose Society, in 2022.

Jamie, who is also a passionate mountaineer, has climbed some of the world's highest peaks and raced to the North Pole. Jamie also flies a plane in his spare time.

Jamie Wood

Make the

SMART DECISION

Leading Aluminum Trailer Innovation for over 36 Years

The Leader in Heavy-Duty Construction

All-Aluminum Trailers

- Built the way YOU want
- Gooseneck and Bumper 10' x 39'
- Single and Double-deck models

All-Aluminum Livestock Poppers

- 10-Year Warranty
- Models to fit any truck

Livestock POPPER™

fits between fender wells of a pickup. Easy to slide in, and gives animals full protection.

Dual-Line is a 2-way trailer specifically designed for small animal producers. Use as a livestock trailer, or remove the top and use as a utility trailer. 4'x6' up to 6'x14' sizes.

Showmaster, designed for medium-duty needs, at an affordable price. Includes standard aerodynamic V-shaped front, and pulls easier with more usable space. Various of heights and widths available.

This is a testimonial:

FEED GREATNESS[®]

Animals speak louder than words.[™] We could go on and on about our unique solutions. How Hi-Fat Accuration[®] Sheep & Goat Block helps maintain consistent body condition year round and aids in conception rates and body condition of their offspring. Plus how Wind & Rain[®] Sheep Mineral aids in reproduction and reduces parturition issues. They say it all.

CATEGORY		BREED STANDARDS GRADING CRITERIA				4-8 MONTHS	8-12 MONTHS	12-18 MONTHS	18-24 MONTHS	24-36 MONTHS
		Max points which can be awarded (4/4/4) 12 points total	Max points which can be awarded (4/4/4) 12 points total	Max points which can be awarded (5/5/5) 15 points total	Max points which can be awarded (6/6/6) 18 points total					
Conformation		Posture / Stance	<ul style="list-style-type: none"> -♀♂ Hind legs correctly placed, not cow-hooked or bowlegged -♀♂ Forelegs broad stance and not knock-kneed. -♀♂ Slight hock angulation -♀♂ Short, strong pasterns (45-degree angle) 	<p style="text-align: center;">Points Deduction & Exclusion Criteria</p> <p>Points are deducted based on lack of appearance, conformation and wool traits Exclusion applies when animals do not meet breed standards and are presented with flaws</p> <p style="text-align: center;">Reasons for Exclusion</p> <p>First grading or up to 18 months (Points are scored as 1 – if an animal receives a 1 for any of the flaws listed below, they will be disqualified)</p>						
										Limbs
		Gait	<ul style="list-style-type: none"> -♀♂ Staple length is 4 inches based on 6 months growth (Recommended to be shorn twice a year) -♀♂ Fleeces is uniformly white and balanced over the whole body -♀♂ Wool on legs is thick and full -♀♂ Wool on head is natural and long -♀♂ Some black hairs /fibers are tolerated on the neck area in animals over 18 months old 							
		Wool	<ul style="list-style-type: none"> -♀♂ Flaw in fleece -♀♂ Trimming or shaping wool with scissors 	<ul style="list-style-type: none"> -♀♂ Points deducted where animal lacks in conformation criteria 	<ul style="list-style-type: none"> -♀♂ Pasterns worn through, extreme malpositioning 	<ul style="list-style-type: none"> -♀♂ Multicoloured wool (black & white/spitti) -♀♂ Kemp and tangles in the fleece as well as excessive awn hairs 				
THE RULES ON MOUTHS		<p>* Over/Under shot jaw. Incorrect tooth position in animals 18 months and older results in point deduction during grading</p> <p>*Animals refers to Females & Males. **The Swiss are more stringent on teeth in males over 18 months, however both sexes can be deducted several points if any misalignment is identified but they are never disqualified.</p> <p>-Over /Under shot jaw. Incorrect tooth position in animals during first grading or up to 18 months results in exclusion</p> <p>*Animals refers to Females & Males. **Exclusion means disqualification. Disqualification means that if an animal, female or male up to 18 months is presented with any of the flaws (inclusive of mouths) listed in the 'reasons for exclusions' column those animals should not be exhibited.</p> <p>Note: In Switzerland the mouths of all animals are checked during the Autumn Shows, Miss Visp and Widdermarkt, if flaws are identified strict action is taken.</p>

Hello from Brock Valais Blacknose in New Zealand! We currently have a limited number of export embryos available in the US. We have exported embryos from NZ since 2021, with our clients successfully breeding from our embryos in recent seasons. Please get in touch or see our website for more information and donor availability - we look forward to hearing from you.

**TOP QUALITY IMPORTED EMBRYOS AND SEMEN
AVAILABLE FROM OUR AWARD-WINNING UK FLOCK!**

VALAISBLACKNOSESHEEPWESTMORLAND.CO.UK

FB: @VALAIS.BLACKNOSE.WESTMORLAND

Westmorland Valais Blacknose Sheep in Appleby, UK, is home to 4 Blacknose Beauties champions as well as multiple sheep which earned Maximum Points, including one of our beautiful embryo donor sires. Since 2018, we have worked with our friends at Laurel Highland Farm in Pennsylvania to export top quality Blacknose semen from a variety of rams. We are so excited that we are finally able to export top quality Blacknose embryos to USA as well!

To purchase within USA or Canada, please contact MJ at:

BLACKNOSE - RAMS @ LAURELHIGHLAND.COM

Jill C. Markowski 802-345-1977

Our Sheep Are Vermont Maple Sweet

We have been participating in the Valais Breed up program since 2019 and we offer a full selection of breed up and pure-bred Valais Blacknose Sheep. Our foundation stock is Registered Scottish Blackface and have prided ourselves in utilizing the finest semen available and breeding principles as we use the Swiss Breed Standard as our framework. Please stop by sheep barn and meet our "Sweet" Sheep and the Vermont Valais Blacknose Sheep Company team!
